MIN 1 WEEK HIRE

Unique in the market place, this is the only fully stand-alone, self powered unit to provide separate male and female W/C facilities along with the convenience of a heated drying room.

An economical multi-roll DC/Diesel heater system provides thermostatically and timer controlled heating to the W/C and drying rooms. The drying room is equipped with changing benches and clothes hangers for up to 20 users.

KEY FEATURES:

- Solar powered with DC battery backup
- Integrated waste and water tanks
- Economic fresh flush toilets
- High level windows, anti vandal doors, robust steel construction
- PIR lighting and instant hot water
- Heated drying room

OPTIONAL EXTRAS AVAILABLE

- Fuel, waste & water Servicing
- Lockers
- Garic i-SITE Technology
